

BRITA CONSTRUCTIONS

BRITA CONSTRUCTIONS Best Home Renovation Company 2019

Supporting clients across Luxemburg, BRITA CONSTRUCTIONS is an award-winning construction firm dedicated to providing residential and commercial clients with the highest possible standard of service and outcomes they can be truly proud of. We profile the firm to find out more about the range of services it has to offer and how these have led it to win one of our prestigious 2019 Benelux Business Awards.

Over the years BRITA CONSTRUCTIONS has become renowned for its flexibility, innovation and, above all, results.

Whether clients are looking to create a dream home or a commercial establishment, BRITA CONSTRUCTIONS has the skills, expertise and talents to meet its clients' specific needs and create an outcome that they will treasure for many years to come.

Multilingual and extremely talented, the firm's team are some of the best on the market currently and can exceed any clients' expectations, however high. With a range of award-winning team of architects, engineers, planners and builders and administrative staff, the firm can assure clients that their project is in good hands.

Thanks to this innovative and dedicated team of experts, every aspect of a project can be undertaken by BRITA CONSTRUCTIONS, from masonry, screeds, plaster and false ceilings through to tiling, granite, paintings and landscaping, extensions, transformations, parquet and entrances. As such, clients need look no further when they are seeking a partner for their renovation and construction project.

To ensure a hassle-free experience for every client, the firm communicates with them throughout the project, and offers a free quote for all work so that clients can understand the costings involved before they commit. This dedication to transparency and client service is what sets the firm apart from its competitors and marks it out as the best possible option for a wide range of clients.

Looking to the future, BRITA CONSTRUCTIONS will remain deeply committed to providing its valued clients with the same exceptional standards of service that they have come to rely on from this innovative company.
